

USE AND MAINTENANCE MANUAL OF SCREENLINE INTEGRATED BLIND SYSTEMS

SL20P VENETIAN / SL22P VENETIAN / SL24P VENETIAN

USE

To tilt the slats, rotate the knob clockwise or anticlockwise until reaching the desired closing angle.

MAINTENANCE

BLIND:

Maintenance-free

KNOB:

- Clean with mild soaps or detergents
- Should the knob rotation be improperly forced, the magnetic clutch would automatically release the blind, which would resume its regular operation
